WIRELESS BEAT BOTTLE

Enjoy your favourite music while you are enjoying outdoor activities. No need for a big "boom box" or loud speakers connected to cords, the wireless BEAT Bottle is ideal for the beach, picnics and poolside and can even be your musical companion at work or study.

The bottle has a double wall, vacuum insulated copper lined 18/8 stainless steel body. The bottle styled body has the speaker on the top of the bottle instead of underneath. This helps make the speaker sound better, it also gives you easy access to the speaker, permitting you to power on and off, change the playlist, and skip or repeat the last song. The wireless feature sets up easily to your cell phone and recharges rapidly in approximately 1 hour with the capability of running for hours after charging. The lid contains an IPX4 water proof speaker so no need to worry if it gets splashed with water!

INNER PEACE

Want to drink from a glass bottle but you're afraid it will break? The ASOBU® INNER PEACE Glass Bottle is the answer. The bottle is made of double wall insulating materials. The outer wall is made of temperature resistant, shock proof TRITAN™, while the inner wall and spout are made of glass. The inner glass liner is protected by two cushioned sections made of soft silicone. This completely protects the inner glass liner from severe shock and breakage. The outer TRITAN™ wall adds additional protection.
